

WHERE ARE OUR
HEARTS BURNING?

REVISITING THE JOURNEY
WE HAVE MADE THIS WEEK

NEXT STEP:

Need to sift through 4 days of learning and sharing
and digesting.

Enter into summary conversations and begin
preparations for returning to one's respective
formation community better equipped for ministry.

DESIRE FOR THIS SESSION:

Identify where participants are energized/
seeing in a new way...and...affirming current
practice in order to lay groundwork for “next
steps” – both personally as well as a
Congregation
